9/11 Plane

Twisted metal from the planes that hit the World Trade Center in New York City on 9/11.

Black Tom

Guests walk through the massive wasteland of destruction from the explosion, littered with broken crates and artillery shells as the historic film footage brings the devastation to life showing the attempts of firefighters to extinguish the blaze.

Radicalism

Guests can peer into the mailboxes of several citizens to discover the likely targets of the radicals' bombs and watch rare silent footage of FBI agents and local police raiding homes and public venues.

Red Scare

Guests enter the office of an FBI agent in the 1950's and explore the actions citizens and the government took to confront the communist threat.

Timeline

Upon entrance, guests are immediately introduced to 170 events including acts of terror and America's reactions through an extensive floor to ceiling timeline mural. From the plot to kidnap George Washington in 1776 to the terrorist attacks on September 11, 2001 and beyond, guests examine how prevalent terror has been in this nation's history.
